# Meet Annie Fox!

Annie Fox, M.Ed., has been teaching, writing, and creating innovative content for kids for many decades. She's particularly proud of The InSite—a teen website she created to help young people face the challenges of growing up. Since 1997, she's been answering online questions (as Hey Terra!) from tweens, teens, and parents around the world. Her Internet work has contributed to the publication of multiple books, including *The Teen Survival Guide to Dating & Relating*, *Too Stressed to Think?* and the award-winning Middle School Confidential™ series. Annie and her husband, David, have developed an iPad app based on the series. When not answering Hey Terra! email or speaking at schools and conferences, Annie enjoys yoga, meditation, making bagels, and hiking with David and Josie the dog. You can email Annie at [annie@anniefox.com](mailto:annie@anniefox.com) or learn more about her at [www.anniefox.com](http://www.anniefox.com).

*“Smart and funny and real,  
these tips and tools will help  
tweens deal with real life issues.  
I wish I had this series when I  
was in middle school.”*

—Erica Lutz, author of *The  
Complete Idiot's Guide to  
Friendship for Teens*

**Middle School Confidential™ Series—an award-winning graphic-novel series  
featuring a blend of fiction and practical advice for the middle school years.**

Meet Jack, Jen, Mateo, Abby, Chris, and Michelle—six kids in middle school just trying to figure it all out. The Middle School Confidential series follows these six characters as they negotiate a shifting social scene, forge strong friendships, and deal with changing family dynamics. Fun and engaging character narratives are complemented by quizzes, quotes from real kids, tips, tools, and resources.
